Description of factual circumstances:

**Ms. Hampton was alleged to have tied a student to a chair. During the investigation, Ms. Hampton stated she used yarn to have 'a little bit of restraint... pressure'. She also stated she did this because the activity chair that has a tray and 'buckle' (Rifton) was being used by another student. She confirmed that this use of the chairs was for punishment.**

**It appears Ms. Hampton is in violation of district policies FO (Local) and FOF (Legal).**
